## **Do you want to get involved?**

The H2R Challenge is a very grassroots road racing adventure born from the desire of a number of H2R members wanting to have a regular wheel to wheel racing venue at their local track. While all of the H2R motor sports activities we enjoy are great, this will give us the opportunity to add one more dimension to the fun that is H2R.

We welcome anyone to get involved as a volunteer or spectator and we encourage H2R members to join in as car owners/drivers.

**Want to race?** - H2R Challenge is a members only race series. If you are interested in participating, there are currently 3 classes of cars (Porsche 914, 1st generation Mazda Miata and 4 cylinder Mustang). The General race rules and class specific rules are available on this site. If you would like additional information specific to one of the classes please contact:

**[H2RChallenge@gmail.com](mailto:H2RChallenge@gmail.com)**

**Want to volunteer?** - Every event needs help getting the race run. If you can help please contact the track (512-667-6250), give them your contact information and show up by 9:00am on race days.
